FROM THE PRESIDENT'S DESK

April 2018

Dear UAC,

Every month I look back at the newsletter from the month before and still can't believe how much we have done and are still planning to do. If you participated in the WWII Display thank you, it looks great!! The downtown window display is ready for spring thanks to the committee for making it look great.

Even though winter feels like it's never going to end it will!!! And when it does I know the co-op will be full of new customer's .Shake off those winter blues, stay positive, and keep moving forward. The Gallery looks better every day. A fresh coat of paint along with our new black pedestals, and some round tables it will really bring everything together. If you want to help support the co-op but don't want to submit work we are looking for more volunteers to work at the center during business hours.

I try to post once a week on the Facebook UAC page or as things get worked on to keep everyone in the loop. Check it out.

The Shows at the Summit have been great I'm looking forward to them again this year. Remember people want to invest in you the artist if you can attend the show and demonstrate people will connect with you and your work. I hope to see you there.

Stephanie

looking forward.....
