FROM THE PRESIDENT'S DESK

March 2018

Dear UAC,

Our building, called "The Creative Alliance," is looking great. We're slowly having more sales each week, and increasing interest in membership and our new space. The volunteers of the coop have been putting in much appreciated hours to keep our new home open and attracting the locals. Not only have they been working in the gallery but they also have been keeping the place clean.

For my Facebook enthusiasts, I've been posting a weekly blog to keep everyone in the loop. As we've discussed, our new home has turned our club into a living, ever-changing being. If you feel out-of-the-loop, check the page. I post pictures with info on things happening and upcoming events (**link is <https://www.facebook.com/uniontownartclub>**). The other outlet you have is our webpage (**<https://www.uniontownartclub.org>**).

If you feel like you would like to be plugged in somewhere, please let me know--we need you.

With the busyness that's become our "new normal," we've been doing our best to get customers in the doors at the center. The coop is progressing. Please invite your friends and family to come shop and attend our craft and sips.

We have a lot of exciting events coming up this year make sure you jump in!! Get excited!!

Stephanie
