FROM THE PRESIDENT'S DESK

November 2018

UAC,

This has been a long crazy year. I know myself included we have all been through a lot not just as a club, but also in our personal lives with sickness and unforeseen events. I see our group as more than an organization, but as a family. I know if I called on anyone of you, you would be there for me in an instant as many of you already have, and that's what families do.

I want to personally thank everyone for their support in this trying year. The Board and I made some very hard decisions but, I finally feel we have made it out of the woods.

The UAC building is looking even better than I imagined thanks to the help of the members. Their efforts and hard work does not go unnoticed. Your UAC will be a place to remember. The new hot spot in Uniontown!! Just wait and see.

Moving forward, we will start to plan all of 2019 events. To stay in the loop, read your emails (sorry not sorry I send a lot of them!!!)

I am honored and lucky to be your President.

Stephanie McClain
