## From the PRESIDENT'S Desk:

April, 2016

For those of you who have recently joined, I would like to invite you to attend our meetings and join in the activities. I think you will find it exciting and enjoyable to become a part of our growth. This is a great time to be part of the UAC, I think the immediate future is going to see more growth in our clubs activities than in any time in the clubs recent history.

Our first Art at the Summit Exhibition and Show is May 7<sup>th</sup> and 8<sup>th</sup>, it should be a great event. Through a lot of work we have formed a great relationship with the owners of the Inn. At a recent meeting they had stated that it is a good fit for both of us. We now have an excellent venue to promote our club and our member's art on a regular basis and it is almost like having a place of our own. Now it is up to us to maintain this relationship, I do not know how we could be more fortunate than we are with this arrangement.

We have another new opportunity developing. With a cooperative effort we may be able to create a Cultural Center in Uniontown. This will give the UAC the ability after 90 years to call someplace home. I have been working with several non-profit organizations and people over the past couple of years. Two different opportunities are starting to develop into something more than just wishes and dreams. I will have more information at the meeting on Tuesday the 19<sup>th</sup>. A meeting with a couple of organizations and our club is schedule for the 13<sup>th</sup> to discuss one of these opportunities.

In addition to the above items, the Herald Standard contacted us and is going to do an article in this months' paper about our club. Several members have been interviewed and I have a meeting this Thursday with the reporter writing the article.
