### **From the PRESIDENT'S Desk:**

April 2017

I would like to welcome our new member Wendy Pennington.

At our meeting we also had a stranger seeking information about a local artist and was able to find our meeting location from our web site and the name of the door. She was surprised at the size of our clubs attendance, and our helpfulness, we offered her the opportunity to stay for the meeting and she felt comfortable enough to do so.

To those of you who are unable to attend our meetings, you are probably a little confused by all the emails and their contents. Other than attending the meetings it is hard to pass along everything that is discussed via a newsletter or emails. As I have been reporting in our newsletters we have become a very active organization. Just to state a few examples.

1. Our sales season is starting with our three shows at the Summit. May, July and October.
2. It is our 90<sup>th</sup> anniversary. A dinner is being discussed and planned.
3. We have a couple of in-house projects in the works.
  - a. A wall design depicting 90 years of the art club.
  - b. Fund raising collaboration with the State Theater and Phoenix
  - c. A float for the holiday parades.

I have not even mentioned our collaborative effort. We even have our name on the door now. So as you can see your meeting attendance is the best way to keep apprised of what is going on with your club. There are several active committees now providing opportunities to become involved with your skills and talents. Hope to see some new faces at the meeting along with our regulars.

Have a great day
