For only \$22 a year membership dues, it was noted that the annual club dinner alone exceeds the value of your dues. It was then noted that members receive monthly updates through newsletters and other forms of communication regarding the events that are occurring in the club and outside of the club. At no additional cost to members a web page is available to any member wishing to contribute a bio or photos of their work. These shows have offered inside accommodation's, table space with covering, display screens if needed, sales recording and tax collecting as well as sales tax reporting. The benefit of advertisement's in both conventional media and social media. In addition to shows a free window display of your work in a downtown office complex is available to members. The website list current and future shows and contacts for those interested in additional event information and contacts. Your club has been providing a meeting place at no additional charge as well as a very respectable art collection on display at the library. All officers and board members are also afforded liability insurance in the performance of their lawful duties as officers and board members.

The future is also promising additional benefits to members of the Uniontown Art Club. So let's go forth and multiply with
