From the PRESIDENT'S Desk:

July, 2015

It is hard to believe I have written 20+ newsletters. I think we have had a great run considering how poor the moral and general feeling was in the club 23 months ago when I wrote my first newsletter. We are a new club, doing things very differently than before. We have restructured our club. The board of directors manages the business of the club now. The current nine board members have done a great job for you, however this is an election year. I encourage all of you to put your name on a ballot position if you would like to be part of the clubs future. **Please contact the election committee** if you are interested, some positions may have a vacancy and will need someone on the ballot. All positions are open, it is an election not an appointment or selection, if you would like to run for president please do. Please consider the fact that you will be making the clubs history for the next two years. I am proud to continue to promote our club as it is today and serve as President. I hope some of you would contact the election committee and become an active part of our clubs future.
