From the **PRESIDENT'S Desk:**

July, 2016

I am not sure how the rest of you have been doing, we all have our crosses to bear. Mine has been dealing with a kidney stone and treatment thereof since February 4th. I managed to work with all of you to put on a successful May show while being treated. I finally was released from the doctors the week before our July Show. I would like to thank all of you for your concern and help during this period, it helped make the constant pain and flair ups a little more bearable. Thank You

Fortunately since I was feeling better and before I realized how much back up work that I had, I did the sales report. Everyone should have received their checks a little over a week after the show ended.

Something to think about, it might be a good idea if someone besides myself had a copy of the sales inventory program and knew how to manage the mechanics of the program. Just a thought. Stephanie entered the square app into her phone.

*Whats Next: Our October
show and sale. The
American Festival of arts and
crafts. Discussion of our
Holiday Dinner.*
