From the PRESIDENT'S Desk:

June, 2015

Our May meeting was held at the Melega Museum in Brownsville, Curator Patrick Daugherty provided an excellent tour and discussion session. Patrick also had Frank Melega's son present to add a personal touch for the reasons behind some of his father's work. It was a very enjoyable meeting and tour.

We have a very busy second half of the year coming up. Elections of officers, 4 Art club sponsored shows and one membership drive show. Speaking of membership, I believe we are now doing what everyone said was needed to be done to encourage new membership. We are displaying our member's artwork and giving our members an opportunity to sell their artwork. We are also providing topics at our meeting now when possible. We have made plans to begin an artist of the month display starting in August or September. This is all great, you now have something to offer potential members.

We have come a long way in a short time, and you can be proud and pleased. We have set a course. Through our scheduled shows we are promoting and generating an appreciation of the visual arts to the community. The basic mission of the Uniontown Art Club.
