From the PRESIDENT'S Desk:

June, 2016

I would like to take this opportunity to thank everyone for the get well card, I really appreciated the thought.

I did not plan on missing last month's meeting however it did provide an opportunity to demonstrate how far we have progressed as a club. I am pleased to say with confidence that the future of the club is no longer in question as it was three years ago. Our nucleus membership is active and willing to take on responsibilities and projects to help move the Uniontown Art Club to a respected position within our community. Our membership growth has been one indicator and the fact that no one person is so important that the club has a problem functioning--two good indicators of the health of our organization. Congratulations to all of you.

As stated in an email, we will be able to take down our displays at the Summit show on Monday morning the 4th instead of Sunday after closing. Hopefully this will help those of you with weekend plans with your families. Even with plans on Monday afternoon, you will only need a short time in the morning to take down your display.

I hate to see any of you miss an opportunity to display/sell your art, especially with all the holiday and tourist traffic that will be out over the 4th. I was told by one of the waitresses that this is one of their busiest weekends. Hope to see you at the meeting.
