Newsletter ~ ~ June 2017

From the PRESIDENT'S Desk:

June 2017

I would like to open our Newsletter with a note of congratulations to three of our club members who have achieved noteworthy accomplishments.

During the fall selection for the Pittsburgh water color society, Angel Zueger was juried in as a new member. This is quite an honor as only two people are selected each year to become part of the society. One in the spring and one in the fall. Congratulations Angel.

This spring two of our members were also juried into the Westmoreland Arts Nationals, (WAN) from what I understand the competition was stiff, however Passle Helminsky our Erie member and Dennis Nurkiewicz were both juried into the exhibition. Congratulations to the both of you.

Congratulation again to all three of our members for their fine work and dedication to producing fine art.

Our 1st Summit Inn show took place Mother's Day weekend, May 13th & 14th, understandably it is a tough weekend for some of our members to participate. Our average sales were a third higher than last years, however we had more members participating last year which produced more income for the club.

This year we had 11 members of our 13 that registered to participate, displaying their work, as well as the Chinese auction table. It was a very well displayed exhibition of OUR Uniontown Art Club.

Please if you are registered to participate please do so. The club does not require you to be present during the event hours. We of course would like you to be present and ask for your presence for many reasons however an empty table is very distracting to the overall exhibition.

Registration is now open for our July 8th and 9th show, cut off time is the end of this month due to the holiday on the 4th. NOTE the following change: Your registration form and check are both due prior to the cutoff date or table space will not be provided for you.

We are doing an auction table again in lieu of lottery tickets, even if you cannot participate in this weekend show, a donation of your work for the Chinese auction would be greatly appreciated. Ticket sellers for the table are needed even if you are not displaying during the show, if you can spare some time that would be great.

The web page has a new look, check it out. We are currently receiving around 80 to 90 visitors a day viewing our web site. The member's page is very popular, send photos of your work and we will create a page for you.

Have a great day, and see you at the meeting.
