UAC MEETING NOTICE

March 20th Meeting 6:00 p.m. call to order 6:30 p.m.

This month meeting will be at The AVENUE
59 S. Gallatin Avenue, parking on the side and on the street.

March 20th is the date to bring in your art work that you would like to donate to the auction. Either your work or a piece of art that you own and would be willing to part with will be accepted. It is to be dropped off at the Avenue and coincidentally that is the location of this month's meeting and March 20th is the date. It was like someone planned it that way!

Patty Clutter-Thorpe, Ann Cehula and Becky Keck have taken on a monumental task so far and we should all be grateful for their efforts, but it is past time for the rest of us to step up and help them. For those of you who have not had the opportunity or time to help with the party, this meeting will give you a great chance to do that.

So you can drop off your art, stay for the meeting and thank the committee personally while you ask what you can do to help.

The greater danger for most of us lies not in setting our aim too high and falling short; but in setting our aim too low and achieving our mark.

Do not quench your inspiration and your imagination; do not become the slave of your model
