From the PRESIDENT'S Desk:

May, 2015

Many have said our meetings are boring discussions about club business. I have heard that they could get more people to join if we did things at the meetings. I am trying to follow your lead. At our meeting in March we had a speaker, discussing the role of the art club and the Uniontown Library. During April's meeting we had a tour of the 60 plus pieces of art that we own and are displayed at the Library. Our May meeting will be held at the Melega Museum in Brownsville, Curator Patrick Daugherty will provide a tour and discussion session. You have spoken, we are changing, now you can go forth and multiply.

Many have commented that we no longer display art in Uniontown, that we had an artist of the month program and that the Art Club was often mentioned in the local media. Take heart I have been working on that for you. In addition to the club's 4 upcoming Art Exhibitions and sale, I have had conversations with some of our members and interested parties regarding a monthly artist program. I have had positive responses and I will give details at our meeting for your consensus. This is a very workable project that is taking shape and will be only available to our Club Members. See you at the meeting.
