From the PRESIDENT'S Desk:

May 2017

Hello members:

Sorry for not getting the newsletter out sooner, but I thought that I was busy last month and mentioned how time seems to be flying by even faster, well I think it even ramped up another notch since then.

Enough about me. This forum is to let you know what is happening with your club. Unfortunately everyone cannot attend meetings for a whole host of reasons and that is understandable, however you are still members and I am sure would like to keep up with the clubs activities or you would not be paying your dues.

Our 1st Summit Inn show is taking place this weekend, May 13th & 14th so if you get a chance stop by and visit or take mom to a nice dinner and art show. I had also mentioned in an email that we are doing an auction table, even if you cannot participate in this weekend show a donation of your work to auction for the club would be greatly appreciated.

We are working on updating our by-laws which is recommended to be done about every 2 years, it has been over 3 years now. I mention this because we will be mailing out copies of the new by-laws for members to view and comment upon. More information to follow as we get closer to the final version.

There are several active committees in progress now. I mention this because it offers you opportunities to become involved with your club and highlight your skills and talents. Come join in the planning and growing of your club. You'll be glad you did.

Hope to see some more new faces at the meeting again, along with our regulars.

Have a great day
