From the PRESIDENT'S Desk:

November 2015

Let me be the first to wish a Merry Christmas and Happy Holiday season to all of you. With Thanksgiving close at hand, we as a club have a lot to be thankful for this past year. Christmas brings us to our 8th annual holiday show and with the New Year comes our annual post-holiday dinner.

We have one more opportunity this year to not just sell our art, but to also present to the community a high quality of art, right here in their own area, created by talented local artisans. If as a member you have not participated in one of the recent shows, I ask that you stop by, say hello and see what your club has been presenting to the community. Even though we want to sell our work, we have tried to create a mini museum, not a crafters mall environment with booths of sellers. Our guest book comments from our last three shows have one common word (wonderful). We have tried to create a mini-museum environment and a pleasant experience for our guest.

Stop by the main street window display that several members have created for the downtown small business day Nov. 29th. Stephanie has taken the lead in this project and has done an outstanding job of organizing everything.

P.S. I look forward to this year's Holiday Show, our last two holiday shows have been like a social event for the members participating, hopefully we can continue this as a tradition.
