Newsletter ~~ November 2016

From the PRESIDENT'S Desk: November 2016

Tuesday November 15th will start a new chapter in the Archives of the Uniontown Art Club. We will be meeting for the first time in our new home. 27 East Main Street. We have unlimited opportunities available to us now, opportunities that were not possible or feasible before.

Just one idea to start off with. We can now meet weekly or biweekly for a creative get together. No meeting, nothing formal, just a dedicated time that you can bring your current project and work at it along with other members. You can swap ideas, solicit ideas, and critique your work through the eyes of other artists. This would be a great excuse to just dedicate time on a regular basis to just create you art away from home distractions.

We now have new direction-with unlimited possibilities, limited only by our desires and willingness to reach for the stars.

Hope to see many of you at our first meeting at our new location.
