PRESIDENT'S MESSAGE

October, 2014

Over the last several days I have been organizing a mountain of UAC paperwork that seems to have accumulated over the course of a year. A lot is duplications that just makes more work sorting through. This seems to mimic life in some ways and most organizations. Duplication, a good definition would be, more work. Fortunately except for a couple of items most of what we have done this year as a club was acted upon pretty quickly and efficiently. We did not bring up the same ideas and projects at each successive meeting (duplication) without taking action and moving to another project .

This is an excerpt from last year's newsletter.

*A meeting should be a place of reporting on progress from committees and to develop new ideas to improve the clubs activities under new business. A meeting is also a place to take action on the committee's recommendations. If you have ideas or questions join the committee and make your input valuable to everyone. This is the best way to improve our club. I have this quote on our web page, **"Divide and rule, a sound motto. Unite and lead, a better one."** -Johann Wolfgang von Goethe Chair a committee and lead.*

We as a group have taken this idea and concept and nourished it with committees that now contain several members who debate and work out issues in committee. The chair only reports at our meetings on the committee's progress. The meetings are no longer, a debating arena regarding projects.

A club by definition is mostly a social community created by people of like thought. An alive club changes as it membership changes. The membership is pulling together now and we have several things in the works for next year. Three workshop programs are being planned by committee. We have negotiated with the Summit Inn to have a weeklong Exhibition and 2 weekend marketplaces in 2015. One in July, one in Aug. and a Weeklong Exhibition and sale in October, this was just confirmed and dates set last week. Our Holiday show is set for Sunday November 23rd 2014, at the Holiday Inn. We are doing the Nov.2nd Holiday Inn show as a promotion of the club and our show on the 23rd. The post-Holiday Party is set for January 4th 2015 it will be at Watsons Choice B&B again this year.

This does not mean we are only interested in selling our art, we are working to promote our club, find a home for our art collection and club as well as encourage artist to join in our growth. We want to promote art and ourselves as artist, however hopefully in the coming year with the established shows above, we can start to plan some group activities and trips as well. As you can see above we have become very active, with firm plans already set well into next year's calendar, with more to follow.
